

***Grid-Interop and SGIP Winter Face-to-Face Next Week  
See Y'all in Texas!***

A few reminders and resources for the last face-to-face conference of 2012.

***Come to Texas!***

- For the second year, Grid-Interop will feature the Plug-In, the only venue where multiple aspects of interoperability standards for the Smart Grid will be viewable.
- A diverse speaker lineup includes NIST Director Pat Gallagher, Oncor's COO Jim Greer and Colin Harrison, IBM Distinguished Engineer.
- Hundreds of Smart Grid experts and professionals discussing and collaborating
- New Committees related to SGIP 2.0, Inc. to join and lend your expertise

- Register and save 10% as SGIP Member: <http://www.grid-interop.com/2012/#sgipreg>

**Important notes for SGIP Members:**

- The Governing Board Meeting is only on Sunday evening, 6:30 Central. Unlike past sessions, the following morning will be the SGIP 2.0 Board of Directors.
- Opening Plenary is on Monday and will start at 12:15p.m. Central.
- Tuesday includes a special signing ceremonies and speakers during the noon hour and the Transition Plenary that same afternoon.
- Agenda details along with the remote access registration links can be found here: <http://www.grid-interop.com/2012/#agenda>.
- Or view SGIP sessions at a glance and remote access: <https://collaborate.nist.gov/twiki-sggrid/bin/view/SmartGrid/Winter2012Access>
- After the meeting, session materials will be archived on the TWiki. We will work to get materials up as quickly as possible.
